**OFF THE CUFF:** Great moments in men's fashion. Cuff links get dressed up and sophisticated for the Cary Grant in every man.

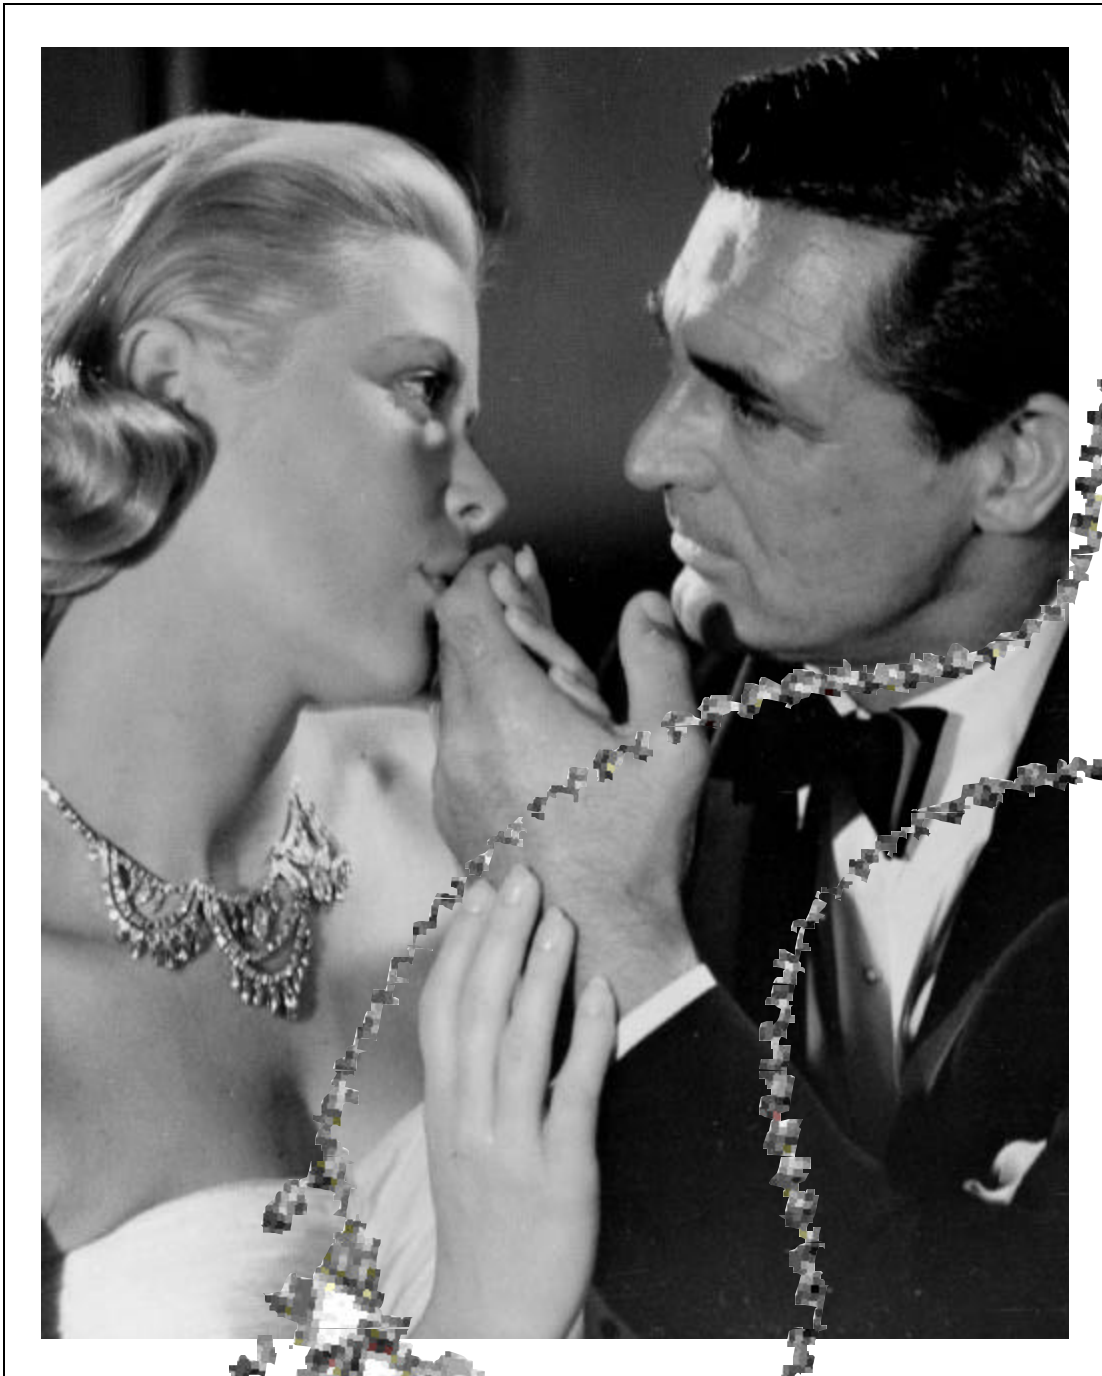

**LONGING FOR IT:** Elegant and strikingly beautiful, the elongated diamond earrings return to today's jewelry spotlight.

**STUCK ON YOU:** Some looks never go out of style. The way to wear brooches – pinned to the waist of the iconic little black dress.

**HOT ROCKS:** What's stealing the jewelry scene this season? Multi-tier and swagger necklaces that mix various shaped diamonds.

**ETERNAL GRACE:** The dignity and elegance of pearls attain high drama with a diamond and pink sapphire encrusted clasp.

**ABOUT FACE:** Who can resist these handsome classics? Retro-inspired faces withstand the test of time.

**TIME AND TIME AGAIN.** Diamonds, forever a girl's best friend, have star power in watches that dazzle, sparkle and shine.

**WRIST ACTION:** Armed and dangerously appealing, show stopping diamond bracelets look best when stacked.
